Ancient Israelite Religion The 18 essays by members of the Canadian Society for Biblical Studies published in this volume showcase the work of leading authorities on ancient Israelite and Jewish historiography as it intersects with the phenomenon of prophecy in Israelite religion. The essays illuminate questions that pertain to the various genres of ancient Israelite literature, and how those genres contributed to the formation of the biblical canon.

Oral World and Written Word The first full-length study of the evolution of self and agency in ancient Israelite anthropology Conceptions of “the self” have received significant recent attention in philosophy, anthropology, and cultural studies. This book argues that the development of self-representation in the biblical period was accompanied by a paradigmatic shift from the anthropological notion of a distinct “I” to the psycho-linguistic notion of a composite “I”.

Rediscovering Eve This introduction to the Old Testament (Hebrew Bible) offers a literary and historical-critical approach, containing some religio-historical or theological explanations where appropriate.

War in the Hebrew Bible This book surveys within the various literary genres (cosmologies, personal archives and epics, hymns, and prayers) parallels between the Bible and Ancient Near Eastern literature.

Families in Ancient Israel Using socio-anthropological theory and archaeological evidence, Knight argues that while the laws in the Hebrew Bible tend to reflect the interests of those in power, the majority of ancient Israelites—located in villages and small towns—lived regulated domestic and communal lives.

The Creation of History in Ancient Israel The lives of ordinary Jews in Ancient Israel often go unrecorded in the Hebrew Bible. This book demonstrates how the biblical narrative was shaped by the experiences of those who lived it, and how the historical and literary traditions that emerged from their experiences were constructed.

Humans and Animal Sacrifices People and Animal Sacrifices in Israelite Religion, including the role of animals in religious and cultural practices in ancient Israel, is the focus of this book. The author explores the significance of sacrifice in Israelite religious and social practices, including its role in shaping identity and relationships with the divine.

The Moral World of Ancient Israelite Deviance This book challenges the traditional view that deviance in ancient Israel was solely the result of social and economic factors. Instead, it argues that deviance was also shaped by religious and cultural contexts.

A Survey of the Old Testament Laminated Sheet Few topics are as broad or as daunting as the God of Israel, that deity of the world’s three monotheistic religions, Judaism, Christianity, and Islam, who has been worshiped over millennia. In the Hebrew Bible, God appears in many different guises and personalities. This study guide provides an overview of the many aspects of God’s character and the theological implications of these representations.

Reconstructing the Society of Ancient Israel Niels Peter Lemche focuses on the way Israelites understood themselves at different points in history—before, within, and after the monarchy. This book is essential reading for anyone interested in understanding Israel’s rich history. Volumes in the Library of Ancient Israel draw on multiple disciplines—such as archaeology, anthropology, sociology, linguistics, and literary criticism—to illuminate the everyday realities and social subtleties of ancient Israelite society.

Israelite Prophecy and the Deuteronomistic History From an Antic Land In this volume Paula McClain provides a synthesis of recent research on the nature and development of the society of ancient Israel. Focusing on Israelite history from the tribal period through the time of Persian domination, McClain employs a socio-scientific perspective to examine recent reconstructions of the social and cultural contexts that nurtured the literature of the Hebrew Bible.

Biblical Prophecy, and Ancient Israelite Historiography will be of value for advanced students and scholars working on historiographic and prophetic materials in the ancient Israelites and Jewish traditions, featuring the best of research and analysis from some of the major authors in the field. Writing and Literary in the World of Ancient Israel. In a unique way this study probes the linguistic, sociological, and religious issues associated with being physically disabled in the ancient Near East. By examining the law collections, societal conventions and religious obligations towards individuals who were physically disabled, Pardes gives us an understanding of the world a disabled person would enter. He explores the connection between the literal use of disability language and representations of Jews with disabilities in the biblical period. The book explores the way that the representation of disabilities in the Bible has been influenced by the broader cultural and social conditions of the period.

War in the Hebrew Bible This book surveys within the various literary genres (cosmologies, personal archives and epics, hymns, and prayers) parallels between the Bible and Ancient Near Eastern literature.
